

## LIFT MAINTENANCE TECHNICIAN POSITION

White Pine Resort is looking for hardworking team players who enjoy the outdoors and are interested in the perks that working at a ski resort bring! Don't miss out on this fun opportunity! Apply today at [www.whitepinewyoming.com/employment](http://www.whitepinewyoming.com/employment).

**Position Reports To:**  
Maintenance Manager

**Wage:** DOE

The Lift Maintenance Technician must perform the essential duties and responsibilities with or without reasonable accommodation efficiently and accurately, and without causing significant safety threat to self or others.

### Responsibilities:

- Maintain and repair all lift equipment, specifically a CTec Doppelmayr fixed-grip triple chairlift.
- Duties during winter operating season include assisting with regularly scheduled maintenance, pre-operational, mid-day, weekly, and monthly inspections as well as responding to lift breakdowns.
- Off-season duties include a thorough inspection of all lift components, tower work, and grip and chair maintenance.
- Work on hydraulic systems, braking systems, rigging, gasoline and diesel engines, as well as low voltage safety circuits.
- Perform minor repairs and maintenance on facility equipment and appliances as necessary.
- Shovel snow from walkways and sprinkle ice melt to keep people from slipping and falling.
- Carry out other various maintenance procedures as assigned or requested by the Maintenance Manager.
- Rely on instructions and guidelines to perform the functions of the job.
- Assist in problem resolution in an effort to minimize equipment downtime.
- Look for opportunities to continually improve maintenance processes.
- Work with all company personnel in a cooperative and professional manner.
- Strictly adhere to all safety rules, policies and procedures required by White Pine, law, and/or what is recognized as common practice in the industry.
- Ensure work is performed safely and efficiently.
- Follow written and verbal instructions and perform other tasks as directed by management.

### Requirements:

- Knowledge of hydraulic systems, braking systems, rigging, gasoline and diesel engines, as well as low voltage safety circuits preferred. Mechanical or electrical experience required.
- Demonstrate adequate mechanical aptitude.
- Fixed grip lift experience is a plus.
- Must be able to work under timelines and pressure.
- Must possess and maintain a valid driver's license.
- Proficient in the proper use of, and care of, various power and hand tools.
- Good verbal and written communication skills in English.
- Ability to comprehend and follow direction, perform basic math, good time management and team member skills.
- Must be able and willing to work independently as well as part of a larger team.

- Typical Physical Activity - Standing, sitting, walking, bending, stooping, reaching, twisting, kneeling, working in confined areas, reaching overhead, driving and operating heavy equipment, grasping, moving equipment, pushing, pulling, lifting and carrying 50lbs.
- Typical Environmental Conditions - Inside and outside areas of a typical ski and summer resort facility, which includes working with and around large machinery, extreme variations in temperature, noise, odors, humidity, dust, in general offices or on outside grounds. This job may require the ability to climb and work at substantial heights and in all kinds of weather.
- Travel Requirements - Occasionally, such as to procure necessary parts.
- Requires working on weekends and holidays.

**Note:** This description is not intended to be an exhaustive list of all duties, responsibilities, or qualifications associated with the job.

White Pine Resort is an Equal Opportunity Employer, Operating under USFS Special Use Permit in the Bridger-Teton National Forest. All of our job opportunities are located at White Pine Ski Resort, located 10 miles from the town of Pinedale, Wyoming, in the Wind River Mountains. Most of our winter seasonal positions are Fridays through Mondays, usually from the end of November through to the end of March (except for the Christmas/New Year holiday break, which is approx. 18 days straight). Reliable, winter transportation is a must! A high level of responsibility and reliability are also required, and all employees of White Pine Resort must pass a pre-employment background check.

All candidates must fill out an [application](#) to be considered for employment. Completed applications, accompanied with a resume if desired, can be emailed directly to the General Manager of White Pine Resort at [katie@whitepineski.com](mailto:katie@whitepineski.com).
