If you enjoy the outdoors, then consider staying in the Tent Village at White Pine. Our walled tents have wooden floors and beds. You supply your own bedding for best prices. Bedding is available on request.

Tents are sited under stands of Lodge Pole Pine and overlook the meadow, which comes to life during the summer with alpine flowers, birds and wildlife. A bathroom block with showers is located near the heart of tent village.

The tent village is a 2 minute walk northwest from the Lodge at White Pine and is an ideal place to stay during a wedding, family reunion or simply a place to use as a base for fishing, hiking, or horseback day trips into the wilderness.
