WHAT TO EXPECT

On the Mountain

The Multi-Day Learn to Ski & Snowboard Program is for skiers and snowboarders of all ages and ability levels.

Students will explore the mountain and improve their skills during this program in a positive learning environment. This is a great way for you or your child to be part of a fun group of skiers or riders while learning from our best instructors.

Snow Pros will focus on fun, with drill-oriented training. Safety and mountain awareness are emphasized throughout the curriculum building on existing skills and advancement of abilities

On the first day students are assessed by ability in order to build a foundation of specific skill sets to reach student goals successfully.
